AMITABHA BUDDHA & PHOWA TEACHINGS  
無上殊勝大願瓦法,阿彌陀佛及無量壽佛灌頂

Buddha Amitabha and Phowa teachings are appropriate for all levels of practitioners and are important preparation as we transition from this transitional state of existence to the next.

破瓦法又稱願瓦法為藏傳佛教八大成就法之一,又名遷識法,能將神識從苦海中遷移到西方極樂淨土,不再輪迴,偉大譯師馬爾巴說:「每人都有透過禪定而得到解脫的方法,而我卻有不假禪定,即可得解脫的法門。」所指的乃此願瓦法。

Gar Drolma Buddhist Center was founded in 2002 by His Eminence Garchen Rinpoche. We offer many weekly programs which are intended to assist the spiritual development of experienced practitioners as well as new students. The center has authentic Buddhist teachers, both local and visiting, who represent an authentic and unbroken lineage of Buddhist training.
