"We are adding to our line of Highland On-the-Go and On-the-Go Select vehicle organizers with

"new-to-market"

(SOLON, OH- November 28, 2011) - Cequent Consumer Products, Inc. (CCP), recognized as a leading manufacturer, importer and distributor of a large spectrum of towing products, cargo management, securing and vehicle protection products is bringing nine new vehicle organizers to market in 2012. CCP's Cargo organizing products, sold under the brands Highland and Reese Carry Power, debuted at the Automotive Aftermarket Product Expo (AAPEX) in Las Vegas, NV November 1- 3, 2011. The interior organizer product line received a lot of attention and interest from attendees of the show that included retail buyers and automotive industry professionals.

CCP made the interior organizers a focal point of the at the leading industry show for automotive products, a show Cequent attends annually. Buyers and auto industry professionals couldn't help but inquire about Cequent's grand display of products. The new organizers were prominently displayed in an SUV parked in the booth.

products that focus on lifestyle specific storage and organization needs," said Jennifer Moore, CCP Product Manager. "Our booth highlighted an extensive variety of organizers that can be used during the everyday commute or for family vacations. These new products were so well received - people truly could relate to the products and how they would use them in their vehicles!"

Next year, nine new organizers will be added to Highland's existing line of vehicle organizers - many which are already available in fine retail stores. The new organizers include several for everyday items including, a snow brush and umbrella

holder, gadget caddies for electronics and cell phones, a fold away pet bowl and a toy organizer for the floor. All of these new organizers were designed with the busy motorist in mind - for the daily commuter and the weekend road tripper.

Motorists don't have to wait until these new products come out to get organized on-the-go! Several organizers are already in stores including a Trunk Organizer that comes with 3 reusable, mobile storage bags and a bumper cover, and the Office en Route with hidden laptop storage perfect for the busy professional. There is even an organizer for

bowls, leashes, bags, towels and more. An organizer every parent should have is the Back Seat Activity Center-perfect for keeping the kids busy on road trips. This organizer holds complete gaming systems, and keeps them hidden when not in use with a latch system. It also comes with a detachable trash bag, and fits perfectly in the backseat as a divider. All the games, toys, books and activities to keep your kids occupied in the car can now be organized. No more searching for things, lost pieces or parts - it is all together inside the Back Seat Activity Center.

Highland On-The-Go vehicle organizers are available at fine retailers nationwide where Highland and Reese Carry Power products are sold. Visit www.CequentConsumerProducts.com for a complete list of our retail partners.
