

# 克利夫蘭市政府舉辦亞裔傳統月活動

為慶祝5月亞裔月,克利夫蘭市政府近日在市府大廳擴大舉行「亞太裔傳統日」慶祝活動,約250多人參加,會上並祝賀越裔資深社區服務主席 Le Nguyen 退休,Le Nguyen 已经在克利夫蘭市政府工作30多个年头,当日傑克森市長親自出席頒給 Le Nguyen 發終生服務獎,Le Nguyen 也是一位亞裔在市政府工作最长的一位。

當晚與會貴賓雲集,包括傑克森市長(Mike Jackson)、社區關係委員會主席葛理芬(Blaine A. Griffin)、黃唯律師、越裔退伍軍官梅森納(Joseph Meissner)、市議員詹森(Jeff Johnson),以及來自克市主流社會及亞裔社區代表。

今年活動由印裔社區協會聯合會(FICA)主辦,由印裔亞拉格(Mona Alag)主持,會上頒發「社區服務獎」給華、菲、印度、印尼、韓、馬來西亞、泰、越、日本等亞太社區代表。克里夫蘭大律師黃唯代表華人發言,她表示華人在克里夫蘭是被重視的一個少數民族,華人也為美國創出了許多財富。当日由Anooj Bhatt & Joe Culley 表演印度歌曲「Song Raga」,作為今年的文化介紹。

「友好聯盟」(Friendship Foundation)創辦人及主席雷恩(Gia Hoa Ryan),感謝在克市為社區服務達40年的 Le Nguyen,從工作崗位上退休,但也成為終生義工,繼續為社區服務。

當天現場提供包括中國、越

南、印度、韓國等多種亞洲風味物,同時還有中國傳統舞蹈、功夫、以及日本、韓國、越南、印度舞等亞洲傳統文化的表演,展現不同文化的風韻,使民眾能夠更了解亞太裔的傳統文化和歷史成就。

其中,當代中文學校小朋友表演的五段舞蹈,活潑可愛的服裝與舞姿,更吸引全場的眼光。為亞洲節增添了節日的氣氛。

## 讓克利夫蘭重現往日風采 (2)

### Cleveland, Ohio is the Medical Capital of the World

of nursing through academic advancements in graduate level education and research endeavours; 2) Enhancing the global field of clinical practice through commercial application of his academic accomplishments in the field of nursing.

His Inaugural Directors Address brilliantly spelled out how living in the future today

fulfills our ability to enhance the human condition around the world tomorrow; The four topics Chris Manacci, Jack Craciun III, and Dr. Moradi are delivering to their global associates and affiliates include: 1) The First University based Graduate Flight Nursing School on Earth; 2) The Cleveland Clinic's Global Critical Care Transport enterprise; 3) Merging Academia and Commercial Medicine with Interactive Tele-Health Technology; 4) Practical Insights of 4DMC / 4DNU as "The Future of Medicine."

This global celebration of Manacci's two new directorships and introduction of "The Future of Medicine" was sponsored by Cleveland Clinic CCT service providers, PHI Air Medical, Inc. ([www.phiairmedical.com](http://www.phiairmedical.com)), Aitheras Aviation, LLC. ([www.aitherasaviationgroup.com](http://www.aitherasaviationgroup.com)), and Landmark Aviation, LLC. ([www.landmarkaviation.com](http://www.landmarkaviation.com)).

"The Future of Medicine:" Through the ITM/MSG SA, Jack Craciun III, Chair/CEO and Chris Manacci, President, are merging Manacci's two primary fields of interest with the most sophisticated and clinically relevant Tele-Health Communication Technology of Dr. Ahmad F. Moradi, Chair/CEO, of Maxwell Rand and NetStairs.com.

The ITM/MSG/Maxwell Rand alliance is now presenting the design and development of: The Fourth Dimension Medical Center?

(4DMC) (The only place you can get a second opinion on your first visit);

The Fourth Dimension Nursing University? (4DNU) (Knowledge and Experience at the Speed of Life).

The MSG 4DMC & 4DNU audiovisual communication networks will be the first to employ commercial applications of secure, encrypted and HIPAA compliant Interactive Tele-Health technology to efficiently provide a high quality Synthetic Natural Environment? that will move Education, Practice, and Patient Care, in traditional or austere environments, into the Fourth Dimension.

The 4DMC & 4DNU Interactive Tele-Health Network (s)? will, for the first time, efficiently link together, simultaneously in real time, anywhere and at anytime, large or individual audiences made up of students and or consulting practitioners at the moment patient care is being administered in any environment. Clinical Education and Clinical Practice in the Fourth Dimension will serve to en-

hance the human condition anywhere on earth whether in the air, on the ground, or in space, and therefore represents "The Future of Medicine." Dr. J.D. Polk, DO, MS, MMM, CPE, FACOEP, Recent, Deputy Chief Medical Officer, Chief, Space Medicine Division, NASA Johnson Space Center; Present, Principal

We look forward to his continued work and the potential application of his model, as it relates to human space travel."

During the celebration ceremonies at Burke Lakefront Airport announcing Manacci's two new Directorships, he also introduced 3 new Sikorsky S76-C+ Critical Care Helicopters owned, operated, and provided to the Cleveland Clinic, by?PHI Air Medical, LLC. The first Helicopters in "the fleet" to be outfitted with satellite communication transceivers, which is the first-step required to implement the ITM/MSG SA and Maxwell Rand, 4DMC and 4DNU Global Interactive Tele-Health Network.

The ITM/MSG SA ability to enhancing the human condition around the world is proud to announce the Manacci Seraphim Foundation (In Organization) and the addition of four new Members of its Board of Advisors: Dr. Dwight L. McKee MD, CNS, ABIHM (<http://www.manacciseraphimgroup.com/documents/bio-dr-dwight-mcKee.pdf>), Dr. Ahmad F. Moradi, PhD, MMIS (<http://www.manacci-seraphimgroup.com/documents/re-practice-of-critical-care-and-air-medical-transport-globally>).

Mr. Jack Craciun III, Chairman / CEO ITM / Manacci Seraphim Group Ltd. Strategic Alliance, brought together the two world renowned academic and CCT programs of Christopher Manacci with the interactive tele-health technology of Maxwell Rand and NetStairs.com to establish the 4DMC and 4DNU programs that will serve to enhance the human condition global and carry CCT into human space travel.

Dr. Damon Kralovic, DO, Cleveland Clinic Staff Physician Emergency Services Institute, Dr. Fredric Hustey, MD, Assistant Professor of Medicine and Staff Emergency Physician. The "not-for-profit" Manacci Seraphim Foundation's purpose is to provide programs for educational support, research in the areas of nursing / medical and - or critical care transport, and further for medical and social benevolent purposes or programs which enhance the human condition.

More important good news regarding Cleveland being the Medical Capital of the World is the announcement that the ITM/MSG SA is planning an Initial Public Offering (IPO) of the Manacci Seraphim Group, Ltd. The Alliance has selected as its Strategic Wealth Management and IPO Architects, Maxwell Rand "Wealth Management" Division and their global team of associates and affiliate institutions; Chief Advisors are Dr. Ahmed F. Moradi and Mr. Jack Craciun III. (未完接下期)
