盛維中先生向各位朋友拜年：

祝福大家馬年新春快樂，身體健康，
心想事成，事業騰飛，馬到成功！

Dear All,

It is a privilege to welcome everyone to a Great Year to come; "The Year of the Horse". The Horse is a very great symbol of strength, courage, resilience, and overcoming obstacles. My mother was born under this symbol and she represents the true qualities of the Horse.

In this Year, let the Spirit of the Horse reign upon you with strength, inspiration and courage.

The Divine Wind that the Horse is galloping in is with us all.

Best wishes,
Wei-Chung Sheng
