RID All green Partnership

O ur mission is to transform communities, starting with 3 acres in Cleveland's Kinsman Neighborhood, part of what's known as the Forgotten Triangle.

We've reclaimed the land for growing fruits and vegetables, farming fish, creating soil from what others throw away and more. We've constructed two green houses, four hoop houses, a tepee, are adding an edible trail and a pond to add

to our fish farming. We are a regional training center of the Milwaukee-based Growing Power, offering training and educational activities. Theses activities assist the community in conceptualizing the value of environmental stewardship.

Our Community Shares

Join our Community Supported Agriculture Program for fresh in season vegetables, fruits and fish, as well as training and compost. We offer different levels of sponsorship, including monthly and yearly.

We have turned an empty and forgotten piece of land in Cleveland's Kinsman Neighborhood into an urban farm where we grow produce to bring healthy, local food to area institutions and citizens and train others on

Whether you want to help your community, learn nore about growing food, or just want to get your ands in the soil, Rid-All offers opportunities for individuals and groups to get in touch with the land.

The Rid-All Green Partnership is the dream of three hildhood friends who grew up together in Cleveland's Lee-Miles neighborhood. Meet co-founders Damien Forshe, KeymahDurden, and Randy McShepard.

月12日,我参加了我的身心靈老師 Larry Woods 博士的學生 Myles Alexander Keaton Smith 的婚

婚禮是在克利夫蘭 Kinsman 街與82街交界的叫 Rid all Green Partnership 農場辦的,婚禮開始之前,農 易主對大家聲明: 因爲這個農場很多地方是木頭,所 請大家不能抽煙,因爲這個屬於私人農場我們沒 有購買保險,如果今天出任何問題,您們自己負責。這 固農場主的話打動了我,在婚禮儀式過後,我找到了 他 G. KeymahDurden III,他也是我的身心靈老師 Larry Woods 的好朋友,我們就這樣認識了,他非常客氣 讓他的夥伴 Damien Forshe 先生帶我參觀他們的 Green House。 那天我是從婚禮課到農場植物課,滿
