### **Cut Asian American Middle-class Taxes.**

Hillary is proposing middle-class tax breaks to help families cope with the rising cost of everyday expenses, like child care and education- and she's announced new tax credits to help families caring for an ill or aging family member. She'll pay for them by raising taxes on the wealthiest Americans and closing loopholes in our tax code.

"I work hard trying to make ends meet and want a leader who is going to look out for me and my savings. Hillary Clinton will protect people like me. She believes no one should have to fight to earn a decent wage." 我追隨她的理念，因為她是和我們一起站在同一陣線上努力奮鬥的。
