凱文談希拉里、克林頓和選舉

We need to move forward instead going back of building "The Wall" on our border with Mexico. This is no different than the end of WWII, where Germany tried to divide the nation. This immigrant country gave us an opportunity to have great lives by each of us contributing to the nation. We are using, I think, 94% world resources to serve only 5% of total world population. If Donald Trump wins the presidency, with all my fearful heart I truly believe that many will move abroad and we are a laughing country by other countries.

Trump has no political experience. The only thing he understands is how to be a rich by bullying other and that is not who we need to be a leader for our country. He has no clear policies except to continue to use the TAX loop-holes for the rich people and himself. He has no clear policy on education. He does not respect women. I don't think all these women were lying when they came out and challenged him of making sexual advances when he said he just talk "lockerroom boys talks" and never done them. When something doesn't go his way he just blames others, such as DMC going after him, rigged election, all media supporting DMC and Clinton, lying women, and threatening suing them after election. He is completely is looking after himself and doesn't really care about our country. I think he loves his wealth, I don't think and maybe I don't know really know whether he loves this country. He brags of his worth of billion dollars and said that he is smart that he can use the current tax system to avoid paying

Federal Income tax for many years. By saying that in front of 85 million people, he actually is referring to us as dumb. to lead our country? I don't know how we can even dream of it. I really don't understand how any first and second generation of immigrants or any woman even dream about voting for Donald Trump. I really I feel the man is very dangerous. I feel Donald Trump is an egomaniac. I think he would be a disaster if elected. The hatred, bigotry and racism that he is preaching are bringing out the worst in Americans. If people really feel the things that Trump is saying are true, I fear for our country.

If Hillary wins I think we have a much better position in the world.

-She understands foreign-policy, was Secretary of State.

-She has over 30 years of experience serving the public in various capacities.

-She is very concern about healthcare.

-She has concerns about our country education, policy that she is advocating tuition free for States run Universities to jump shift for many years to come.

-She has a program in which she would work with Congress to get more taxes from people that are making than \$250,000.

-One can go online to check out her detailed policies I cited above, including making our country from GREAT TO GREATER.

I would love to see some campaign reform is in our country. Many countries have a much shorter election season than we have, about five or six weeks. Even five or six months wouldn't be so bad, not multiple years. We have been talking about elections for over a year now and it really doesn't serve anyone much good.

There is too much money wasted on the election. I understand there is marketing needed and competition needed in these political campaigns, however these candidates are spending an excessive amount to fund their campaigns where it could've been used for something more useful and actually help our country be better than just saying these words and slogans. I am advocating to limit on campaign contributions, due with all respect, my opinion the elections are being funded by the wealthy and that's not what democracy is about. There should be a limit amount of funds for political candidates as it should be for the people, and not money hungry corporations buying their way into politics.

10月15日,聯邦勞工部副部長盧沛寧(Chris P.Lu)蒞臨哥倫布市,與當地亞裔社區的領袖和骨幹親切會面,一起交流亞裔參政議政的重要性。盧沛寧在俄亥俄長大,是目前奧巴馬政府中級別最高的亞裔官員。他曾經負責籌建第一屆奧巴馬政府班子,並擔任內閣秘書(Cabinet Secretary)。參加會面的有近100人,包括華裔、日裔、朝鮮裔、印度裔和菲律賓裔;有上世紀60年代到美國留學的第一代老移民,也有90后出生的第二代移民,充分的反映了俄州亞裔社區的多樣性。

俄亥俄前任州長 Ted Strickland 的夫人 Frances 也參加了會面, 並即興給大家用吉他演奏了她自己創作的為 Ted 助選聯邦議員的歌曲。

盧沛寧為俄州亞裔積極參政議政感到欣慰,並鼓勵參會的人士在亞裔社區做表率作用,帶動更多人參政議政,參與社區服務,爭取更多的亞裔在政府機關和司法部門任職,為亞裔的利益多發聲。奧巴馬總統在任內已經任命了17位亞裔作聯邦法官,超過了他之前所有總統任命的聯邦法官數量的總和(他的前任,小布什總統任命了4位亞裔聯邦法官)。他在第一屆奧巴馬政府擔任內閣秘書期間,參加了所有51次內閣會議,親身經歷了奧巴馬和希拉里一起工作的場面,對希拉里的工作能力極為佩服。盧沛寧說儘管他和共和黨的領袖人物 John McCain 和 John McConnel 等人在政見上有不少大的分歧,但是對他們作為個人是非常尊敬的。但是今年的共和黨候選人川普令他擔憂,因為他認為川普的很多言行已經嚴重的破壞了

勞工部副部長盧沛寧 鼓勵亞裔積極參政議政

作為一個美國人的傳統價值觀,給世人及後代造成了很惡劣的影響。哥倫布亞洲節創始人、第一位被引入"俄亥俄老年公民名人堂"(Ohio Senior Citizens Hall of Fame)的亞裔人士魯永振教授分享了他對亞裔參加社區服務的經驗和建議,指出亞裔透過積極主動融入主流社會,為當地社區服務,積極參加選舉,才會逐漸被社會認可、重視,我們作為少數族裔的利益才能在各級政府的決策中被考慮到。

美華協會(OCA)哥倫布分會的前會長 Theresa Lee 也分享了她參與組織社區活動、參政議政的體會,並鼓勵大家不但要關注總統選舉,還要關注州一級、市縣一級和當地政府的各種職位的選舉,並參與其中,比如校委會委員(school board)等。

我本人也從今年初以來參與組織俄亥俄華人協會(OCAA)的活動和主辦 OCAA 的微信論壇,深深的感受到這次美國大選和今年的"2?20 全美挺梁遊行"極大地促進了亞裔,尤其是華裔參政議政的積極性。不論政治觀點如何,參政議政的積極性多高,只有當有資格的亞裔積極註冊成為選民,並積極投票,才能真正顯示出亞裔的力量,才能進而促進對亞裔權益的保護。11月8日是選舉日,但是俄亥俄從10月12日開始就可以投票了。希望每一位完成選民註冊的同仁都珍惜自己作為公民的權利,積極履行參加選舉這項重要的公民義務。
