Happy New Year 2020 來自張家的新年問候

We 12 family members are sending you our best wishes for happiness in 2020 with a brief update.

Teh-Kuang Chang celebrates the age of 95 this year. He has been a professor for over 53 years in the Department of Political Science at Ball State University. The University President has presented me the Award of Excellent Teaching. The International Political Science Association awarded me for Outstanding Leadership through over 40 years of Asian and Pacific Studies with my contributions for the International Political Science Association and founding research on Asian and Pacific Studies. In July, 2020, I chair panels in its 26th World Congress in Lisbon, Portugal which set up "Teh-Kuang Chang Outstanding Scholar Award on Asian and Pacific Studies" in recognition of my contribution to IPSA. The Routledge Handbook of Asia in World Politics, edited by Angelin Chang and Teh-Kuang Chang has published in Oxford, United Kingdom. I am busy writing my book on the Rainbow of Life.

My wife, Grace is busy as usual for her CPA firm of over 30 years. She was elected the Model Mother of the Chinese Associations by Chinese Women Associations in New York and San Francisco. Also, she was elected as "Woman of the Year" by the American Institute of Excellence.

Grace and I celebrated our Diamond 60th Wedding Anniversary on October 11, 2019. We have one son and three daughters and one grandson and three granddaughters:

Our son Angelo and daughter-in-law Darlene Liao are U.S career diplomats assigned to work in the U.S Mission in Geneva, Switzerland. Their daughter Sabrina and son Dylan attend

the international school and learn French. Last year, Sabrina earned a school award called the Cougar Award. It was for most responsibility, dependability, and integrity. Now both Dylan and Sabrina play for soccer teams and Club FC. Versoix. Angelo, Darlene, Sabrina, and Dylan all enjoy European life.

re-elected as Chair of the Asian and Pacific Studies Research Committee of IPSA, where she convenes 40 panels in the 26th World Congress in July 2020. In 2019, she performed as the season opener for the Muncie Symphony Orchestra at Emens Auditorium, where she made her piano concerto debut a child. She per-

prestigious Leadership in Music (Nashville), Angelin has spoken at CSU Levin College of Urban Affairs on the Asian American Experience and for the Cleveland City Club and Council on World Affairs on Music as Diplomacy, and is invited to be Keynote Speaker at Johns Hopkins University.

Our 2nd daughter Angelina is working as an administrator at Providence Hospitals in Los Angeles. Our son-in-law Ron Escopete is working as Vice President of an international transportation company. Their 2 daughters, Veronica and Verity are in elementary school. Veronica won the speech contest to deliver the welcome address in the New Year celebration of the city and is an award-winning artist, whose work is commissioned to be displayed throughout Manhattan Beach utility boxes to beautify the city. Verity is a championship medalist in hockey. They traveled to the Philippines this year.

Our youngest daughter Angel returned to New York as a TED resident and gave a TED talk on her work developing textiles with indigenous tribes in Guizhou Province, China. Her sustainable clothing line was featured as part of the Smithsonian Museum's Asian Pacific American Center exhibit 'Ae Kai: A Culture lab on convergence. She launched her artisan textile line to great success in Paris and New York.

While we send you our best wishes for the happiness of 2020 and the year of the Mouse, we will be most happy to hear from you!

Our daughter, Angelin is a professor of music and law at Cleveland State University as she holds doctoral degrees in both areas. As a GRAMMY winner, she receives invitations to perform piano throughout the world. She was

formed piano in concert for Notorious RBG in Song with children of Supreme Court Justice Ruth Bader Ginsburg and for MLK Day in Cleveland. She taught at the Curtis Institute of Music in Philadelphia and performs at Carnegie Hall in New York this year. Selected for the
