

Week in Review: COVID-19 Updates from Cleveland City Hall

Coronavirus Prevention & Response: Week in Review

Dear Residents,

This week, I want to remind you that the use of masks in public spaces in the City of Cleveland is now mandatory and enforcement of this mask mandate is now in effect. Individuals and businesses that do not comply are subject to certain civil penalties. To report non-compliant businesses, residents should call the Cleveland Department of Public Health hotline at 216-857-7165. For individual or private residence complaints, residents should call the Police non-emergency line at 216-621-1234.

It is important to heed these warnings about

the use of masks. Although the nice weather might tempt you to hold barbecues or other gatherings with friends and family, we are seeing an uptick in the number of cases arising from such gatherings. Avoid these gatherings to help slow the spread of the coronavirus. No one is immune from the virus and those who are infected may not always show symptoms. I also say this to young people, be cautious

and always wear a mask. The number of cases involving people under 40 years old is increasing. Please ensure you are not the reason a loved one who is more susceptible to the virus becomes ill.

Here is a quick look at announcements made this week:

July 21: I swore in Aqueelah A. Jordan as Chief Assistant Prosecutor. Jordan previously served as an Assistant Cuyahoga County Prosecutor. Prior to that position, she was a member of the City of Cleveland Prosecutor's Office and also served as Cleveland Municipal Court Interim Me-

diation Coordinator. Click here to view her photo and biography. Click here to watch the swearing in video.

July 23: I was joined by Police Chief Calvin D. Williams and Public Safety Director Karrie D. Howard for a virtual press conference where we gave updates regarding recent news about federal law enforcement in City of Cleveland. Watch the video on the City of Cleveland's Facebook page.

Testing for those with COVID-19 symptoms or those who have been exposed to someone with COVID-19 is available for free at local federally-qualified health centers (FQHCs) in the City of Cleveland. To view a list of free testing sites in Cleveland, click here. To view Ohio Department of Health's map of testing sites, click here.

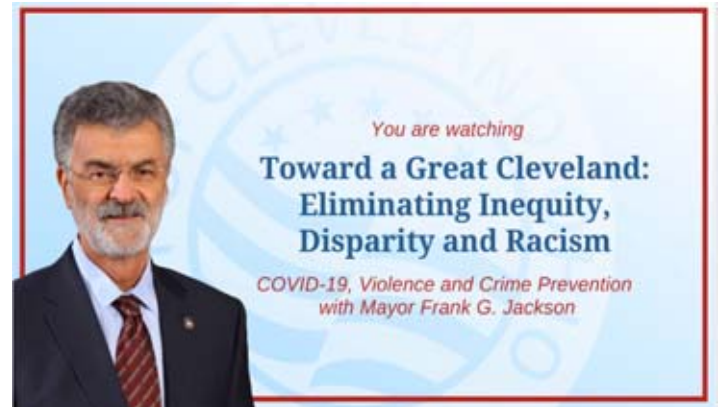

Beginning August 2020, bulk pick-up will operate on its regular schedule. Bulk pick-up will be conducted on the first full week of each month on residents' regular collection day. Res-

idents should follow regular bulk pick-up guidelines.

As of July 23, there are 83 COVID-19 City resident fatalities and 3,871 cases of coronavirus in the City of Cleveland.

If you have general questions about the coronavirus, click on the buttons below. Follow our blog at clevelandcityhall.com for updates and click on the social icons below to follow us on social media.

*Thank you and stay safe,
Frank G. Jackson, Mayor
City of Cleveland*

This is Sister Cities. This is Cleveland.

Good Afternoon,

A Sister City is a city with whom you enter into an agreement to promote cultural, educational and commercial ties. Cleveland is blessed to have 24 from Lima, Peru, to Alexandria, Egypt, Ljubljana, Slovenia, to West Mayo, Ireland. Sister Cities can be born out of migration patterns where a large number of emigres left one city or region and want to rekindle those cultural ties, or from pre-existing commercial and cultural relationships as with Beit She'an, Israel. No matter how they are established, they are a commitment to shared prosperity between the cities.

Last year we hosted the Inaugural Sister Cities Conference as an experiment in bringing our brothers and sisters across the world together to discuss and build on those ties. It was phenomenal and the conference yielded a deeper understanding of our cities and their residents on all sides.

Today we are nine weeks away from our 2nd Annual Sister Cities Conference. It's 100% virtual and allows even more of our Sister Cities to join in from home. Please save the date: September 29th through October 2nd. Join us for this free, cross-cultural building opportunity.

As a thoughtful and timely gift to Cleveland, our Sister City Taipei, Taiwan, gifted us 2,000 masks. We distributed those masks to the Bhutanese Group of Greater Cleveland, Cleve-

land Public Library, Jewish Family Services Association of Cleveland, the City of Lorain and Cleveland Metropolitan School District. All of these groups serve different parts of the newcomer community, from Holocaust survivors to farm hands, from refugees to newly naturalized families.

We thank Taiwan for their spirit of friendship, compassion and fraternity. This is Sister Cities. This is Cleveland.
