Real Estate Services

This stunning 5100 Square foot Colonial property features 5 bedrooms, 3.5 baths, and a 1665 square foot walk-out basement with natural stone flooring and is located close to the Metro Park. It showcases a turn around driveway, and extraordinary landscaping with a sprinkler system and stamped concrete patio. The aluminum custom made windows are energy efficient, and the furnace and central air are newer. The spiral staircase leads you to the spacious master bedroom and remodeled master bath with a modern design fitted with a hot tub, tile walls, and quartz countertop vanity. The newly added sunroom allows you to enjoy the sun and host special gatherings with family and friends all year. The kitchen features granite countertops with an eating area along with a separate formal dining area. The office on the first floor comes with a wet bar. Located in the lower level you'll find an additional kitchen with commercial stainless steel range hood and features granite countertops and a stainless steel wall; there is also a large rec room. The home has an extra-large 3 car garage with custom made garage doors. This home is close to shopping areas and has easy access to highways. One owner house comes with home warranty.
