2022 Summer Potluck 夏天自助野餐會

August 21, 2022 Summer Potluck at Lakewood Park was another successful event, bringing together families and friends of the Chinese Women Association of Cleveland (CWA). There was much to celebrate under the Pavilion, where everyone congregated. This was the second-round potluck after last year, which was the first potluck event, a long overdue social gathering after a long hiatus from the pandemic. If there was one thing among many

things the pandemic taught us, was, don't take gatherings for granted. Somehow this was felt that afternoon. Everyone treasured every moment, enjoyed the food, exchanged conversations, caught up with old friends, as well as made new ones. Anna and her team did it again! They pulled off a well-organized event serving about fifty plus members and their family and spouses with sumptuous food and drinks, music, and dance. Food kept showing up, brought in by members who came later. Laughter, smiles, a chatty crowd and popping balloons from the games played. Some members checked out the Solstic Steps at the park, overlooking Lake Erie, and Cleveland at the park's lookout point. Everyone enjoyed the day, eating and talking, along with other diverse community groups under the Pavilion. The pictures said it all, that members had an unforgettable day. Thank you organizers for putting this together.

疫情后婦女會組織的第二次大型戶外聚餐,當天早上各區有大雨,小雨和陣雨。可幸天公作美下午雨過天晴,陽光明媚。當天早上收到會員們發來的各種顧

慮,擔心活動是否能正常,看到這些信息,默默的禱告...然後信心滿滿的回信息。告知婦女會當天的活動如期舉行,并告知前一晚有看到彩虹。天氣會好,會有陽光,婦女會有訂大棚,能遮風避雨,有雨就見彩虹,會有享受陽光的時候。感謝上帝垂聽作美,下午雨過天晴,陽光明媚。大家如期相聚相見,吃吃喝喝,說說聊聊,談談笑笑,喜樂無比。董事 Amy 帶領的遊戲吸引一大群新朋友旧朋友,大人小孩玩得不亦樂乎,真真喜樂。張氏老

師帶的舞蹈也是欢快愉悅,美女們隨著音樂舞出一身大汗,感謝婦女聯誼會的董事們!感謝他們的辛勞和為社團奉獻的精神!也感謝支持婦女聯誼會的新老會員們!真心感謝和祝福!期待下次再聚!

THE HUMAN LIBRARY

Everyone has a story to tell!

Everyone is a special volume in this library!
SIGN-UP TO BECOME A VOLUME IN THE
ICC-WIN HUMAN LIBRARY AND SUPPORT
MULTICULTURAL UNDERSTANDING!

Were you born in another country and came to America as an immigrant or refugee? What happened to you when you came to this country? Was a parent (or both) born in another country and you were born in America? What was it like being part of two or more cultures? Has your family been in America for many generations? What story do you want to tell that helps us understand your uniqueness as a human being?

The International Community Council-Worldwide Intercultural Network (ICC-WIN) is committed to enhancing cultural competence in Northeast Ohio and offering its HUMAN LIBRARY representing the people and cultures of this region. In small group sessions we will open the volumes in our library and provide you with opportunities to engage in dialogue with each storyteller. Ask questions about their cultures you have always wanted to ask. We believe that civil dialogue promotes understanding.

The Human Library? is a global innovative and hands-on learning platform. It is embedded in high school as well as higher learning, medical training as well as civic engagement to better our understanding of diversity in order to help create more inclusive and cohesive communities across cultural, religious, social and ethnic differences. In its education initiatives, the Human Library works to create a safe framework for personal conversations that can help to challenge prejudice, help rid discrimination, prevent conflicts and contribute to greater human cohesion across social, religious and ethnic divisions.

The ICC-WIN "HUMAN LIBRARY"

Our "Human Library" is designed to build a positive framework for conversations that can challenge stereotypes and prejudices through dialogue. The ICC-WIN Human Library is a place where real people are on loan to readers, that is, participants in the sessions. It is a place where diffi-

cult questions are expected, appreciated and answered.

"Don't judge a book by its cover!"

ICC-WIN has a very large "book shelf" with several hundred volumes! From our beginnings in 1993, we have engaged the diverse peoples and their cultures in arts and culture activities including but not limited to annual Folk Festivals, presentations by heads of international consulates,

community-based event, annual International Cleveland EXPO, and our "World in Your Backyard" series. Each person who has been part of our work is a separate volume representing great diversity within each culture as well as among the cultures. They have shared their stories and talents before both small and large groups. Each time, participants have come away with an enhanced cultural awareness.

NOTE: This series is focused on open dialogue without judgments by the participants. We are happy to collaborate with The Human Library? or "Menneskebiblioteket" as it is called in Danish, created in Copenhagen in the spring of 2000 by Ronni Abergel and his brother Dany and colleagues Asma Mouna and Christoffer Erichsen. We have much to learn from their 22-year history of supporting open dialogue.
