CHINESE CULTURE EXPOSURE: A REMARKABLE CHINESE ARTISTS CRAFTED CERAMIC ART FAIR

This is the largest Chinese Artists Crafted Ceramic Art Fair in Ohio history. It exhibits nearly 30,000 ceramic masterpieces on various topics, ranging from resembling classical China Ancient Qing Dynasty loyal styles and sublime Chinese traditional folk arts to the contemporary forms. Vases, pottery, bowls, platters, paperweights, sculptures and more, each of them individually reflects the rich culture of China thus forms the uniqueness of this fair. Among the exhibitions, 80% of them were handmade by the Chinese ceramists. Some of incredible collection values were handcrafted by the international and national recognized Chinese ceramists, which are even rare to see on the

market. This fair not only brings a very different aspect of ceramic arts, but also is more of an exploration of the history of China. It is an exciting opportunity for the people in US to experience such "gentle" touch of Chinese historical culture.

This fair has also been held in many big cities in the US from the west coast to the east such as Seattle, San Francisco, Portland, Chicago, Boston, Houston and Cleveland. No matter where it was, it always drew thousands of people coming every day. This is the second time they came to Ohio.
