International Traditional Chinese Martial Arts Championships
The University of Akron Memorial Hall

327 Carroll Street

Dear Friends and Supporters:

Our Center is an international school of Traditional Chinese Martial Arts dedicated to the teaching and promotion of Traditional Martial Arts of China. This art is well over 2,000 years old and is one of China's greatest cultural treasures to the world. Each year we sponsor our annual international tournament in celebration of the teachings and art of the late Grandmaster Liu Yun Qiao. Participants come from all corners of the world and include some of the most widely recognized Chinese masters with schools known throughout China.

We would like to invite you to become a supporting sponsor of this annual celebration of global diversity and Chinese martial arts. We offer some of the following options:

For donations of \$100.00 we will provide you with 10 tickets
For donations of \$200.00 we will provide you with 20 tickets;
For donations of \$300.00, we will provide you with 30 tickets;
For donations of \$400.00, we will provide you with 40 tickets;
For donations of \$500.00 or more, we will provide you with 50 tickets and space for a vendor's table.

Your support and donations will greatly insure the success of this annual event.

We hope to see you in October and feel free to contact us for any questions you may have.

弘揚中華武術, 期待您的支持!

See you in October

Master Tony Yang
Owner and Director of the
